## SPECIAL THANKS

Kudos to Jimmy Haslip, whose extraordinary generosity and wisdom guided me through the creation of this album! What began as a simple conversation with Jimmy, dear friend of my late brother, Roger, blossomed into an idea—and *My Imagination* was born! Jimmy morphed into my musical brother, encouraged me to expand artistically, and helped me find my voice, step by step. Thank you, Jimmy, for making this dream come true, I owe you everything!

Special thanks to Roger, who handed me *Al Jarreau: Live in Europe* when I was ten years old, told me to “Get hip!” I took your words to heart and listened to it continuously. It became the soundtrack to my childhood.

*My Imagination* explores a very personal faith in something greater than ourselves—a Higher Power, a Source of positive energy and fruition of our spirits that lifts us up when life feels overwhelming. It’s about believing in yourself, taking creative chances, sharing your gifts with the world and having the “courage to carry your spirit up on high!”

Let us “Keep the Faith” in the highest parts of ourselves.

Special recognition to Darlene Koldenhoven whose vocal coaching became significant in the musical shaping and phrasing of each tune. Thanks to Dennis Moody, sound engineer, whose finely tuned ear formed the feel of the tunes. Thanks to Bill Cunliffe, whose beautiful arrangements fill the air with dynamic energy! And huge shout out to Russ Ferrante for adding his soulful embellishments!

Enormous gratitude to Grigor, my guiding light, who brightens my life and makes my heart sing! Thank you to my siblings, Bonnie and Jim and to our late parents, Joyce and Ed, for their never-ending support. And most importantly, I dedicate this album to my dear son, “Dito,” whose gentle loving nature sustains and inspires me. I love you!
